Allegheny County Quality of Life Survey 2023

SECTION: INTRODUCTION

This is a survey of local residents as part of a research study about the quality of life in Allegheny County. Participants will receive a \$15 e-gift card for a 30-45 minute survey.

The survey covers a variety of topics such as neighborhood perceptions; the environment; housing; transportation; health; public safety; and satisfaction. We are interested in your perceptions of quality of life issues in your own neighborhood and more generally, in Allegheny County and Southwestern Pennsylvania. The area will be specified in the questions.

The only risks to participation are the potential for mild distress when answering the questions and a very unlikely chance of breach of confidentiality. There are no direct benefits to you.

Your participation is voluntary, and your responses are completely confidential. You may refuse to answer any questions that you would prefer not to answer. Your name and other identifying information will not be linked to your responses in any way.

Your email address will only be used for payment purposes. Once you've successfully completed the survey, your email address will be automatically saved in a secure location. You do not need to take any additional steps to ensure its receipt. Anticipate receiving your e-gift card directly in your inbox within 2-3 weeks. At your request, any information that you provide to us will be deleted.

This study is being conducted by Dr. Sabina Deitrick, who can be reached at 412-624-3092 / sabinad@pitt.edu.
